

BURNLEY FOOTBALL CLUB INDEPENDENT SUPPORTERS ASSOCIATION

Our Purpose and Values

The Burnley Football Club Independent Supporters Association (BFISA) is a fan-led group dedicated to representing the interests and voices of Burnley FC supporters. The Association aims to foster a closer connection between the club and its fans, ensuring that supporters' views, needs and interests are heard and central to the running of the football club.

Our underlying principles are fairness, accessibility and accountability.

While we represent Burnley FC supporters, BFISA is independent of the club, operating as a democratic membership organisation.

We work to support the interest of supporters, enhance fan engagement, maintain traditions and advocate for transparency and accountability within Burnley Football Club.

Our key priorities are:

- Representing fans' voices and interests
- Campaigning on issues of importance to our membership, match-going fans and the wider fanbase of the club
- Ensuring all fans are treated fairly and equally
- Safeguarding the future of the club as a community-based, well-stewarded sustainable organisation

We are Burnley supporters and football fans. The success of Burnley Football Club on the field is of paramount importance to us as is the long-term health and sustainability of the Club as a vital part of the local community. We want future generations of Burnley fans to continue to have the ability to support a club they can be proud of, which fosters its role in the community, values every fan, is proud of its history and promises a thriving future.
